You are invited to participate in a research study that asks instructors about the resources and services they utilize in support of their teaching and student learning. This survey will take approximately 15-20 minutes to complete.

You may exit the survey or leave a question unanswered at any time. If you wish to enter the drawing for one of the UTK Bookstore gift certificates, please click through the survey until you are asked to enter your email address. There is minimal risk attached to your participation. Any details about you, your work situation, and your organization will be kept completely confidential.
